CLAIM REJECTION UNDER 35 USC 112,

FIRST PARAGRAPH

The Examiner stated that Claims 1-6 and 13 are rejected under 35 U.S.C. 112, first paragraph, because the claims still have various substituents for R7, R8, Ra and Rb including very large generic groups, which are then further substituted.

Applicants have amended Claims 1-5 as summarized above. Support for these Claim amendments is found in the specification as indicated. Claims 6 and 13 depend from Claim 1 and incorporate the amendments to Claim 1.

In view of the above amendments, Applicants respectfully request reconsideration and withdrawal of the rejection of Claims 1-6 and 13 under 35 USC 112, first paragraph.

Applicants respectfully submit that the present claims are allowable and request reconsideration and withdrawal of the objection to and final rejection of Claims 1-6 and 13.

Serial No.: 10/576,796  
Case No.: 21176YP

Applicants believe that all of the rejections have been overcome and therefore earnestly solicit a Notice of Allowance.

Respectfully submitted,
